

Graduate Trainee

Friend Partnership, Chartered Accountants

The opportunity

We are a well-established independent accounting and business advisory firm based in Birmingham. We are looking for a graduate trainee for our audit and business assurance department, a key growth area of our Firm. A career with us offers valuable commercial experience, a wide variety of challenging work and a very worthwhile professional qualification. The prospects for career advancement are outstanding.

Our students study for the examinations of the Chartered Association of Certified Accountants. The ACCA qualification requires you to pass all the professional examinations and to have three years of relevant practical work experience. The Firm provides appropriate financial support for course fees and materials and examination fees as well as fully-paid study and examination leave.

You will be involved in audit field work and a range of advisory projects for the Firm's diverse client base, reporting to the Firm's Audit Director.

The person

- We are looking for an individual who is a team player and has or is anticipating a minimum of a 2:1 degree in any subject.
- You must be enthusiastic, personable and have an analytical mind, with an outgoing nature and first class communication skills.
- You must also be fully committed to combine studying for a professional qualification with a demanding 'day job'.

Apply with your full CV to Amanda March at Friend Partnership, Eleven Brindleyplace, 2 Brunswick Square, Birmingham, B1 2LP or email to amanda.march@friendllp.com
